### PLEASE NOTE!

Pricing depends on the size/weight of your dog. I will provide you with an approximate price when meeting the dog. Please inform me in advance of any other grooming needs or special requirements. Please be aware that if your dog's coat is in poor condition or if there are behaviour issues during the grooming process, additional costs may apply. Additionally, the regularity with which the dog has been groomed, as advised by the pet stylist, also affects the price charged. Also, note that the puppy package is available from the age of 14 weeks until 6 months of age.
